SMART INTEGRATIONS FOR INFINITE POSSIBILITIES

[plexilent.com](http://plexilent.com)

# Why Plexilent?

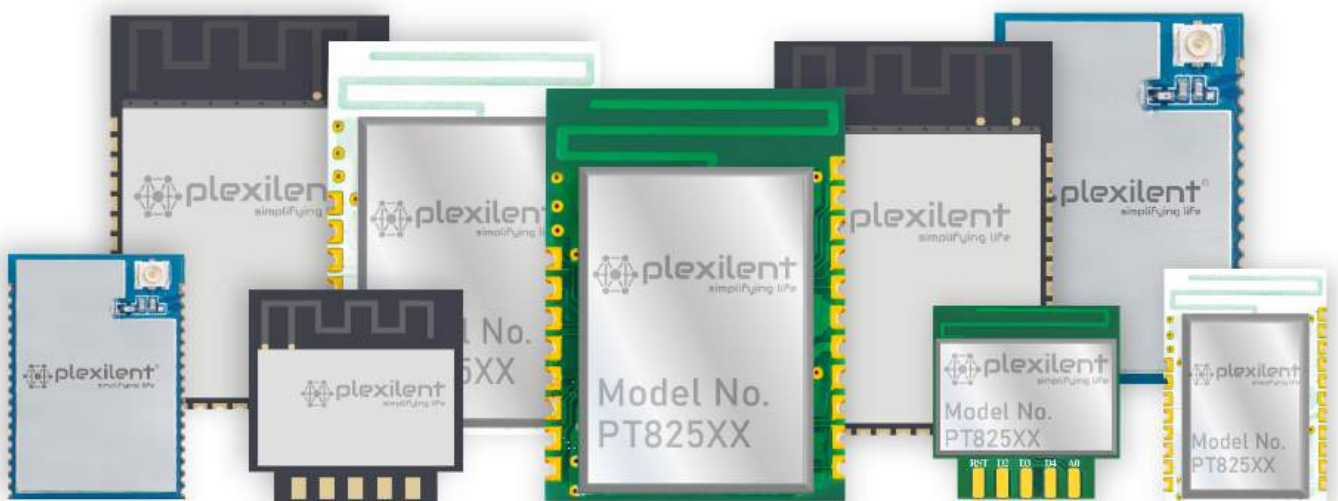

At Plexilent, we simplify life by bridging technology and innovation.

Our vision is to create intuitive, accessible IoT solutions that seamlessly integrate into everyday living.

# Plexilent Smart Modules

Starting with our pioneering modules, we have evolved into a comprehensive ecosystem that empowers users to create smart, intuitive environments tailored to their needs.

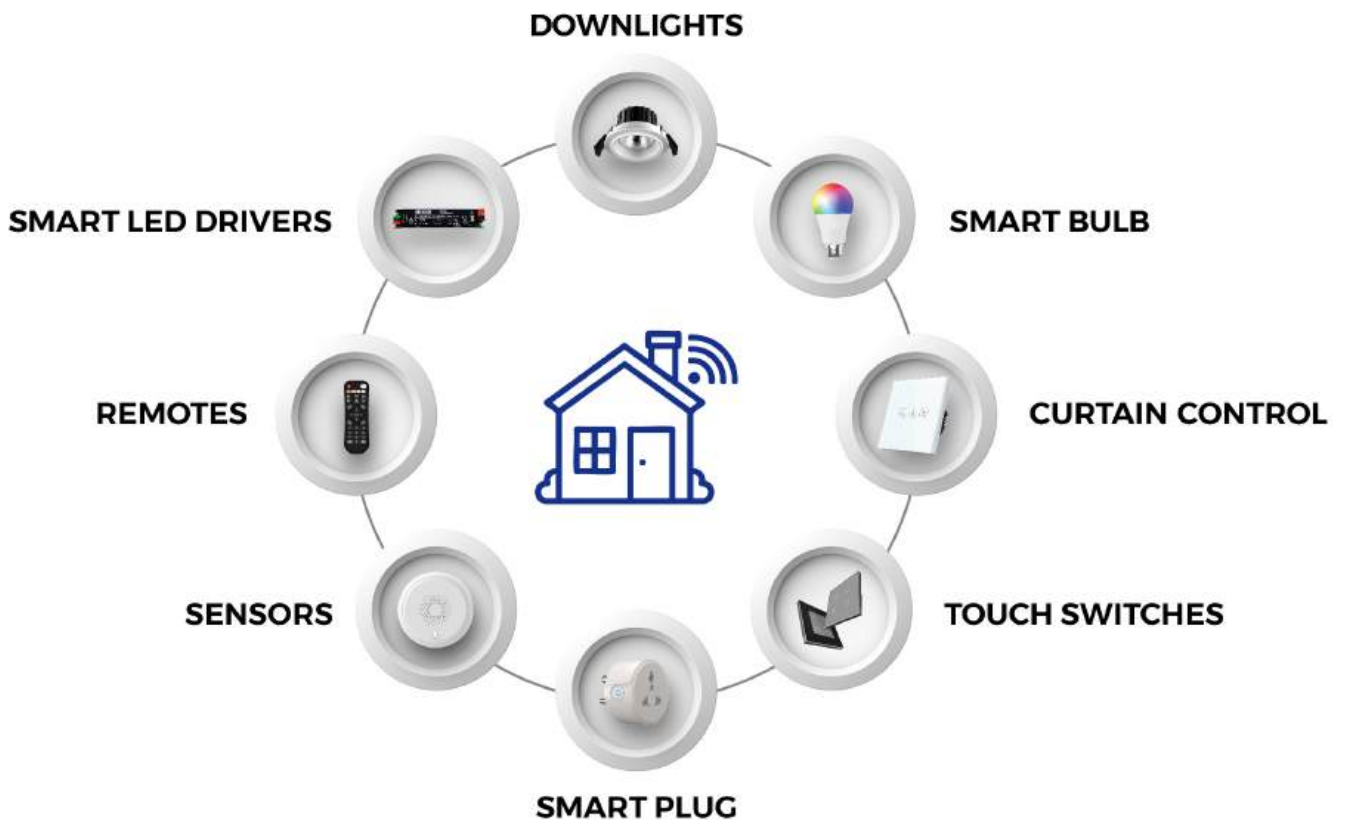

## Supported Protocols Under One Roof:

Seamlessly integrating multiple protocols under one roof, Plexilent ensures effortless connectivity across diverse IoT ecosystems. **No more compatibility concerns— just a unified, intelligent experience.**

Expanding the  
**Plexilent**  
**Ecosystem**

A **Unified Smart Ecosystem** Designed for Effortless Control.  
Enhance Convenience, Efficiency, and Automation—**All in One Place!**

## Plexilent Enterprise Dashboard

In a world where energy efficiency and automation are critical, the Plexilent Enterprise Dashboard offers unmatched control over lighting and smart systems.

Designed for **residential, businesses, large facilities, and enterprises**, this powerful platform provides:

**Centralized Management**

**Real-Time Insights**

**Operational Efficiency**

**Floor Plan Monitoring**

With **Plexilent's smart analytics**, businesses can **reduce costs, optimize performance, and drive sustainability**—all while ensuring a seamless lighting experience.

**Optimize, Automate, and Elevate with Plexilent.**

## Introducing the **Plexilent Gateway**

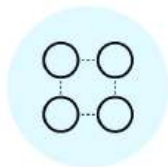

The Plexilent Gateway revolutionizes large-scale device control by creating a unified network for seamless connectivity across rooms, floors, and entire buildings. Its intelligent design enables effortless management of devices in complex environments, making it the ultimate solution for scalable and reliable IoT ecosystems.

Multi-Protocol  
Compatibility

Secure OTA  
Updates

Effortless Device  
Pairing

Scalable  
Connectivity

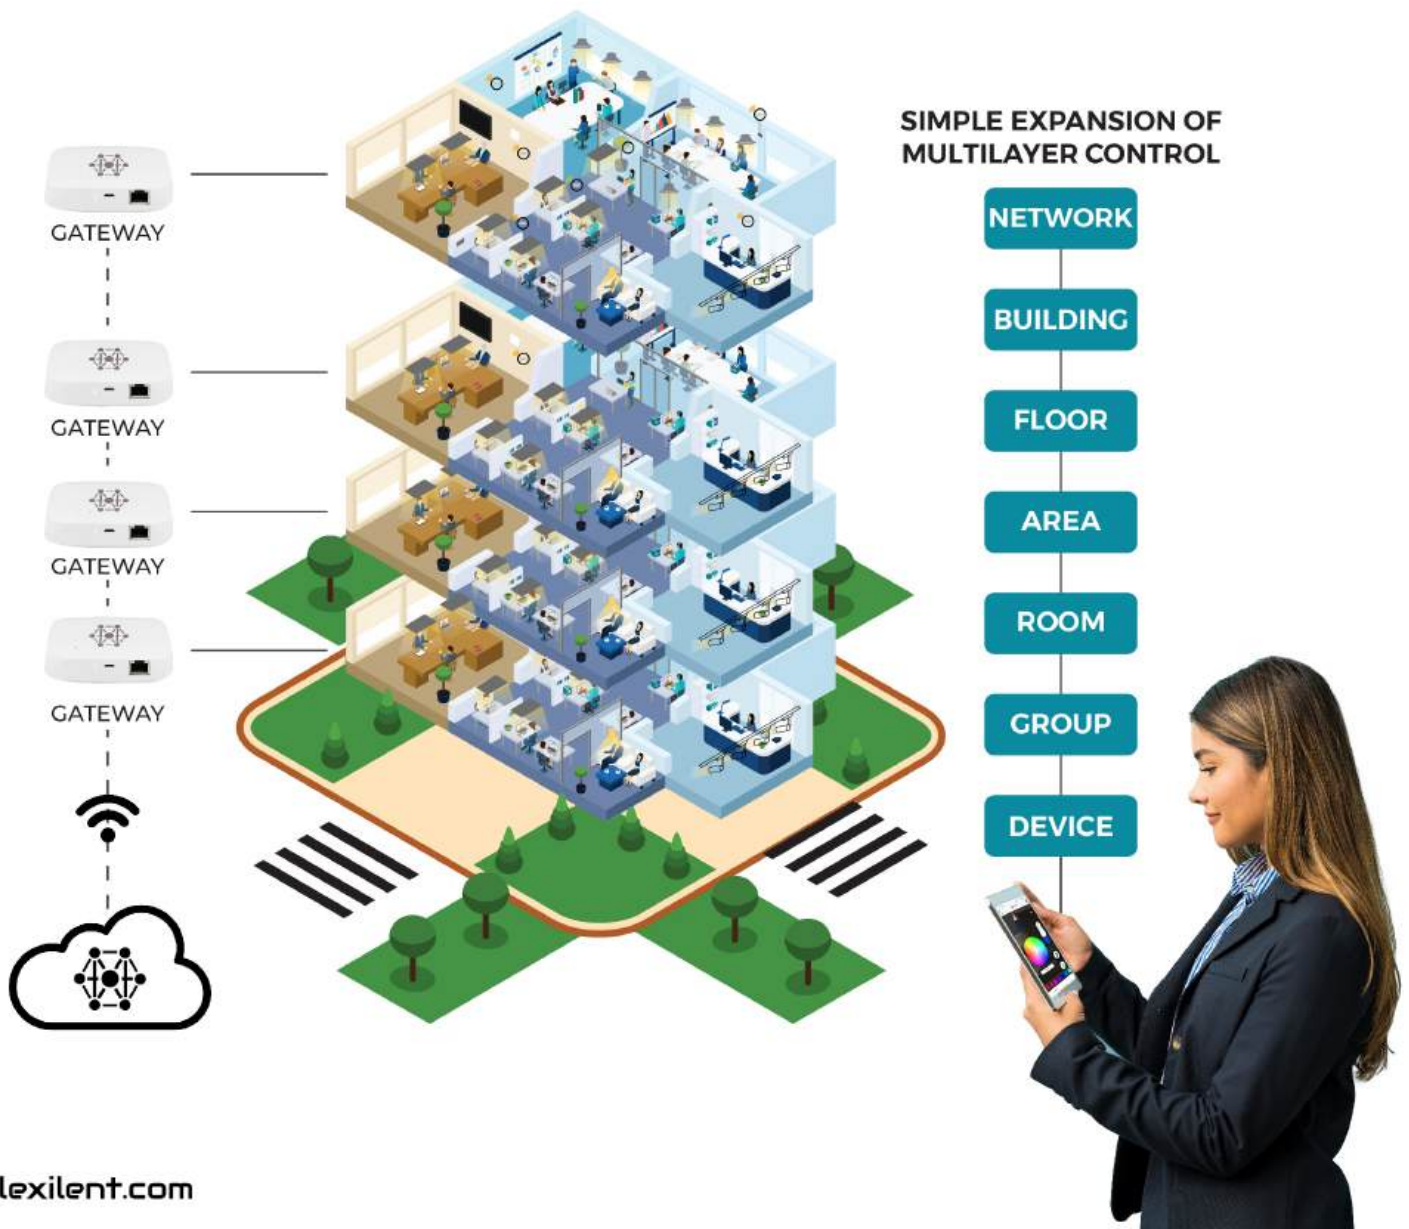

Energy-Efficient  
Design

Future-Ready  
Integration

## LARGE SCALE DEVICE CONTROL

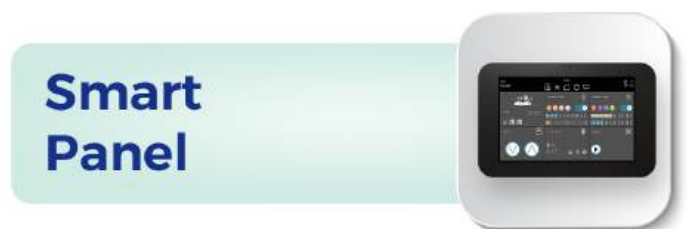

## Control Your Devices, **Your Way**

## Expanding Horizons with **Smart Products**

## Diverse Smart Space **Plexilent Offerings**

**RESIDENTIAL**

**COMMERCIAL**

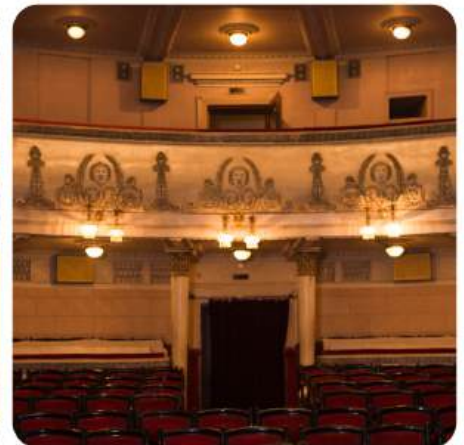

**HOTELS**

**MEDICAL CENTRES**

**WAREHOUSES**

**AUDITORIUMS**

Plexilent transforms any space with effortless control—adapting to your needs, enhancing comfort, and optimizing efficiency. From ambient lighting to precision automation, it's about creating the perfect experience, no matter where you are.

# COUNTLESS CHALLENGES ONE SOLUTION!

**Multi-Space  
Control**

**Music  
Mode**

**Circadian  
Rhythm (HCL)**

**Auto Mesh  
Recognition**

**Remote  
Control**

**SIG NLC  
Support**

*The Plexilent App gets a bold new look while staying true to its core mission- effortless control of your smart devices. Designed with simplicity and power in mind, the refreshed UI delivers a seamless experience that adapts to your needs, ensuring the same reliable performance with an elevated style.*

## YOUR BRAND, YOUR APP

Unlock the potential of our White-label solutions for **Seamless, Tailored Experience.**

**CUSTOM BRANDING**

**FLEXIBLE CUSTOMISATIONS**

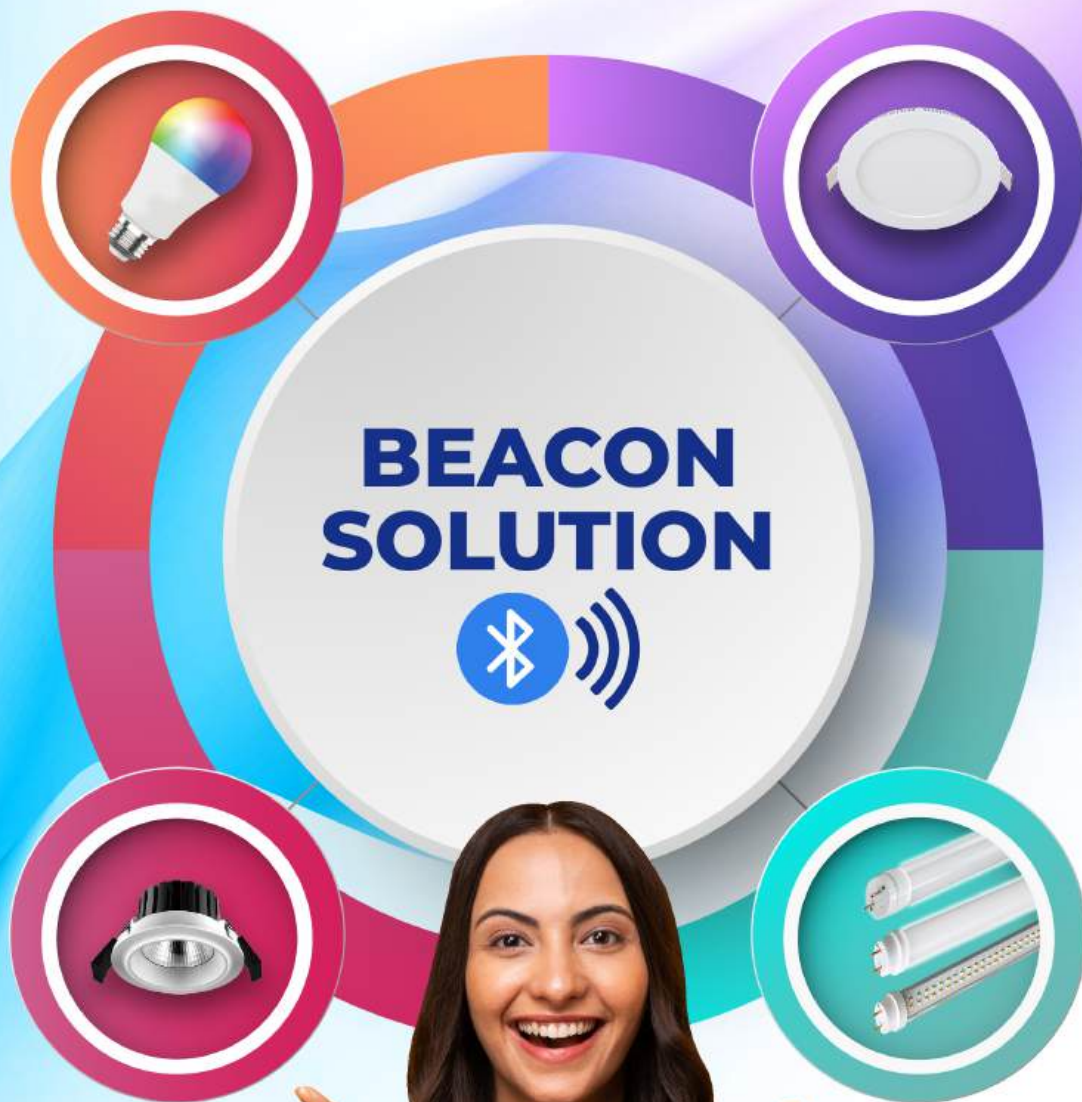

**TAILORED SCREENS**
